 - Mechanical Engineering 60
 - Electrical Engineering 60
 - Electrical & Electronics Engineering 60
 - Master in Computer Application 60
 - Master in Business Administration 60
3. The details of eligibility, reservations for various categories, medical requirements and procedures for admission, etc., are given in the Information Brochure for “Joint Entrance Examinations(2007/2008/and 2009)”.
4. If a student does not report to the institute within 10 days of the start of the first semester and if the institute does not receive any communication from the student regarding this matter (within this time period), the student’s admission will be considered null and void.
5. The fees are according to the guidelines prescribed by the “Fees Committee”.
6. The entire academic fees for an academic year (i.e., two semesters) is payable at the beginning of the academic year.
7. All original certificates of the student shall remain in the custody of the institute (for verification and administrative purposes) until the student leaves the institute.
8. Attested photocopies of these certificates will be provided on submission of a valid written application to the Admin. Office.
9. In case of voluntary withdrawal from the Institute or in any other case where the original certificates are required by the student, the student must deposit a demand draft for the amount of the academic fees (which is the tuition fees) for the remaining years of his/her study in the Accounts Department.
10. In case of the student taking a transfer certificate (T.C) to study elsewhere or for any other reason whatsoever, he/she has to deposit the academic fees (tuition fees) of the remaining years of his/her study.
